

FELIX REINDERS

**PRESIDENT: INTERNATIONAL COMMISSION
ON IRRIGATION AND DRAINAGE
MANAGER: IRRIGATION ENGINEERING,
AGRICULTURAL RESEARCH COUNCIL**

Felix Reinders is the President of the International Commission on Irrigation and Drainage. He completed his Engineering studies in 1979 at the University of Pretoria in South Africa and is registered as a Professional Engineer with the Engineering Council of South Africa.

He specialises in Water resources management and Irrigation engineering in the Agricultural and Civil Engineering field, including research, design, training and mentoring. As Manager of Irrigation and Drainage Engineering at the Agricultural Research Council's Agricultural Engineering Group, he plays a pivotal role in the co-ordination of especially irrigation research, development, testing and design. He served as President of the South African Institute of Agricultural Engineers, the South African Irrigation Institute and the South African National Committee on Irrigation and Drainage. He also manages the Agricultural Supply chain of the Strategic Water Partners Network.
