## RESEARCH GROUP LEADER: CSIR ENERGY CENTRE

Ms Ntombifuthi Ntuli is a Board Member of the South African Wind Energy Association. She holds an MPhil Degree in Energy Studies (University of Johannesburg) and a Certificate in Economic and Development Policy (University of Witwatersrand). She is an Alumnus of the United States International Visitor Leadership Programme (IVLP) as well as the African Programme on Rethinking Development Economics (APORDE).

Currently she works for the CSIR as a Research Group Leader: Energy Industry, with a focus on assessing the economic impacts of the energy sector transition including, jobs, SMME development, industrialisation as well as socio-economic development. Previously she worked for the Department of Trade and Industry as a Director: Green Industries, where she was responsible for facilitating the development of the local renewable energy manufacturing industry. Before joining the DTI, she spent 3 years at the Embassy of Denmark working as a Coordinator for the Business to Business Programme, where she facilitated business linkages between Danish and South African companies. Prior to that, she spent 7 years in Ekurhuleni Metropolitan Municipality working on Energy and Climate Change programmes.
